

Clans and Tartans

The system of clans grew out of ancient Celtic tribal traditions and is based on a fierce love for both family and homeland. People the world over eagerly trace their ancestry to claim they are descended from ancient clans, and new tartans are regularly designed and approved. Clans and Tartans looks at the origins, both geographical and historical, of tartans from Scottish clans. Lavishly illustrated with over 300 color photographs, this is an indispensable guide to Celtic ancestry.
