

## The Heart of Nature: The Quest for Natural Beauty (Classic Reprint)

PREFACE THE value of Knowledge and Character is duly impressed upon us. Of the value of Freedom, we are told so much that we have come to regard it as an end in itself instead of only a means, or necessary condition. But Beauty and we are half-inclined to connect with the effeminate. Poetry, Music, and Literature are under suspicion with the average English schoolboy, whose love of manliness he will share with nothing else. Yet love of Beauty persists in spite of an discouragement, and will not be suppressed. Natural Beauty, especially, insists on a place in our affections. Derived originally from Love, and essentially and inseparably connected with it, Natural Beauty acknowledges supremacy to Love alone. And it deserves our generous recognition, for it is wholesome and refreshing for our souls. The acute observation and telling description of Natural Beauty is at least as necessary for the enjoyment of life as the pursuit of Natural Science to which so much. About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
