

## Dance Masters: Interviews with Legends of Dance

Dance Masters is a lively ensemble of conversations with seven celebrated dancers and choreographers. In these intimate interviews, dance critic Janet Lynn Roseman probes the heart of dance: \* The creative process \* The role of dream and rituals \* The interplay between dancer and audience \* The spiritual aspects of performance These dance masters offer rare insights into the internal world of the artist as they reveal their philosophies on dance training, discuss their mentors, and speak candidly about the artistic process of dance-making and how it actually feels to dance.
