

Portfolios: Clarifying, Constructing and Enhancing

Are you an administrator looking for help in creating or evaluating teacher or student portfolios? Look no further! This extensive guide explains portfolio creation at all levels. From clarifying goals to the actual construction to enhancing the completed portfolio, this book provides time-tested techniques that any school administrator can readily use. Johnson and Rose explore real-life scenarios at the beginning of each chapter and troubleshoot potential questions and problems. The book is filled with sample forms, explanatory diagrams, and each chapter concludes with a glossary.
