

?A.L.I.V.E (MICHAEL JACKSON TRUTH & CONFESSION Book 5)

The ultimate truth about Michael Jackson. Truth and confession both in the words you have not heard before. I leave you to decide whether what is written is pure fiction or pure truth. There cannot be a midway as there is no midway in telling the truth or confessing about something. Michael Jackson's life is put in words and those words form a picture that has all the flavor of a human life in them. I hope to meet you in the world of light and darkness breathing in the pages. Have a nice day
