

Kate: The Life of Katharine Hepburn (Signet Book)

Outstanding....A biography equal to its subject, warm, honest, fascinating. Newsday With Charles Higham, Katharine Hepburn first authorized a writer to interview her closest friends and colleagues about her career, life, and behind-the-scenes romantic involvements from Leland Hayward to Spencer Tracy. And she herself tells the deeply moving story of her twenty-five-year love affair with Tracy. Here is a vivid portrait of the most elegant, independent, and tempestuous star to grace the screen. Over a half million copies sold.
