

Clarksons Troubles

A fun, fast and hilarious journey through Clarksons troubles. Buckle up for the most amazing adventure ever, spanning more than 16 years of getting into trouble - on and off the screen. Here are the words that caused fury, the actions that shocked nations and the humour that made it all worthwhile. We reverse gear to those brilliantly filmed Specials that took us to the far reaches of planet Earth, but caused Governments to cry, campaigners to attack and citizens to try to kill him. This is the penultimate celebration, and appreciation of a talent who some call a genius, others call a knob but we call - Jeremy Clarkson. - Includes autograph hunter page -
