

Tick Tock.

Ideal for Preschool and Kinder garden children, with a very new interactive song of Tick-Tock where all children can take part, whether its by hands and arms or just their fingers there are no boundaries to taking part. Also Teacher Teacher nursery song were is could be sang as Mummy Mummy or Daddy Daddy or even Nanny Nanny, its up to the person present what one to chose at the time, but I have given words of advice on this subject inside this book. Story in Rhyme called Please give me water the story of a thirsty sunflower, and the message the story it sends to children, if you look after the Trees and flowers, they will care for you as well. Greed Fly is another rhymed story, but just a bit longer than Please give me water its been written in such a way that the reader or Teacher can skip to the last verse at any point without making an obvious break in the story. Greedy Fly is a bread pudding thief so there are many captions of what he gets up to. Total of 1300 words of song and stories lay inside this book have taken me a few years to put together getting it just right for the children.
