

Come Fly with Me: Michael Bubles Rise to Stardom, a Memoir

In 1993, Beverly Delich discovered an 18-year-old singer named Michael Buble in a Vancouver talent contest, became his manager, and moved with him to Toronto, and then L.A., as he tried to break into a tough, unforgiving business. This book is her vivid, behind-the-scenes story of the making of a modern-day superstar, from the early days when she and Buble struggled to get bookings, to the giddiness of hobnobbing with musical royalty, to the pivotal and sometimes heartbreaking decisions that would take Buble to the top and found Beverly on the sidelines.
