

Singing Rhymes C (English Rhymes) (Volume 3)

Singing Rhymes (Part C) Singing Rhymes (Part A, B and C) is a set of 3 most beautiful rhyme books. Rhymes are rhythmic poems taught to young children about 3-7 years of age. They are the medium of teaching them vocabulary, elementary mathematics, English alphabets, months name, days of the week or several other behavioral etiquettes. Poems with child friendly music and actions make them learn things very fast and that too in a very interesting way. These poems are mostly introduced in nursery, which is why they are known as Nursery Rhymes. As far as worldly meaning of Nursery and Rhymes are concerned; nursery is a place where children learn before school days usually between the age of 2-5. They learn here by listening to stories, recognizing colors fruits, vegetables through various toys and learn behavioral things through observation and most importantly through Rhymes because rhymes are repetition of similar words in two or three sentences. Accompanied with music and actions and taught them in groups of children make them learn things in a very positive and easier way.
