

Trade Directory Of South America: For The Promotion Of American Export Trade (Classic Reprint) (Spanish Edition)

Excerpt from Trade Directory Of South America: For The Promotion Of American Export Trade
Sir: I have the honor to submit herewith a trade directory of South America compiled under the supervision of C. S. Donaldson, Chief of the Division of Consular Reports, from lists furnished by American consular officers. Since the publication of the World Trade Directory in 1911 the lists of South American importers and dealers have been thoroughly revised and rearranged according to uniform classifications. These lists are issued at this time with the hope that they will materially assist American manufacturers and exporters in developing the greater trade opportunities presented through the opening of the Panama Canal.
