

Curanderos in the New Millenium by Alexander Gomez

The study of medicine and the supernatural in our complex and diversified society is helpful to the furthering of knowledge and to the satisfaction of curiosity concerning the adjustment of people to the unknown. We have moved into the new millennium, and it seems to be the trend that the ancient art of healing with herbs along with the invoking of any powerful spirit has returned to an era full of skepticism; except for some who are willing to give the unknown a try.
