

Je me souviens (French Edition)

Work in progress par definition, et puis, par necessite sinon par nature, ce Je me souviens ! Puisqu'on ne finit jamais de se souvenir comme on ne cesse jamais de oublier. Dans la premiere partie de cet ouvrage, et dans une certaine mesure, l'esprit de mes Je me souviens s'inspire des Je me souviens de Georges Perec, lequel s'est inspire des I remember de Joe Brainard ; et a son sujet, aujourd'hui encore, nul ne sait de qui il s'est inspire pour ecrire ses I remember, l'auteur n'ayant pas souhaite nous confier quoi que ce soit a ce propos.

En revanche, dans la deuxieme partie c'est de... demain dont je tenterai de me souvenir, de demain... dans... disons 50 ou 100 ans, et au-dela meme. Quant a savoir si ma tentative aura pour but de retrouver un souvenir presque oublie... commun, sinon a tous, du moins a beaucoup comme il sagira de demain, on comprendra aisement que cette section s'adresse en priorite a des lecteurs qui ont une tres bonne memoire de l'avenir : pas du leur mais de l'avenir de ceux qui les suivront et qu'ils auront - par voie de consequence -, precedes de peu mais suffisamment pour qu'ils les considerent deja - tous ces suivants -, comme leurs successeurs.
