

## Dick Jones: Where the Action Was (hardback)

This is the HARDBACK version. Dick Jones: Where the Action Was is a nostalgic look back at two of the most action-packed early television Westerns aimed at the juvenile audience, The Range Rider and Buffalo Bill, Jr. One man had a starring role in both of these shows, Dick Jones, a former child actor and talented athlete. The focus is on action. From Dicks tales of fights that took hours of choreography to action sequences that went wrong to rodeo personal appearances with the Range Rider (Jock Mahoney), his friend and co-star, Dick was always where the action was. The reader will be, too, via Dicks stories and commentary by the author. Step back to the fifties and ride again with Dick Jones in The Range Rider and Buffalo Bill, Jr.
