

Emphasis Art: A Qualitative Art Program for Elementary and Middle Schools (with MyEducationLab) (9th Edition)

This beautifully illustrated text filled with rich examples of student work reflects the latest trends in art education and demonstrates how to motivate students to learn by integrating art with other content areas. Emphasis Art continues to focus on the intrinsic worth of art-studio experience through its Discipline-Based Art Education approach, as well as the process of implementing art education in classroom practice. Useful for both general classroom teachers and art specialists, this popular text promotes art appreciation while providing a wealth of creative ideas and clear technical direction, including lesson plans that incorporate objectives. Teacher candidates or practicing teachers will find practical information for today's classrooms including a focus on integrating art instruction into the general classroom with individual chapters across the discipline areas, sequential curricula for grades K-8, art appreciation, and art production. Hundreds of specific, practical suggestions and lesson plans help teachers implement art education in their classrooms. Readers will also find stimulating new examples of authentic children's artwork and updated coverage of art and technology including digital photography, video, and the web.
