

## The Beast of the Apocalypse (The European Union): Descendents of the Gods (Part 10) (Legacy of the Gods Book 5)

Formed to prevent wars within Europe the EU is now the biggest cash cow the world has ever known. Free money for the Illuminati and its maniacal hunger to take over the entire planet. Self-appointed leaders maintain the member states in a condition of near poverty whilst lavishing money on themselves. There soon will be no individual rights and humanity will become slaves. The EU paves the way for the Asian Union, the African Union and American Union. Legacy of the Gods comprises 60 volumes which lead the reader from our earliest beginnings to the present day. The truth is told, it may shock and surprise some readers. Indeed the truth MUST be told for in the near future our Governments have something sinister prepared for us. Only 500 million will be spared. The Apocalypse is nigh. Will you be alive to see it?
