

Second Grade Math Book 2 Student Edition - Homeschool Curriculum (Second Grade Homeschool Curriculum)

This is the second book in a two book series for the homeschool student. This homeschool curriculum series has the same quality lessons as Complete Curriculum's All Aboard Series, but written addressing the homeschool parent and student. Utilizing a very engaging yet systematic approach, this E-Text utilizes hands-on activities as a means for engaging the student. Students will enhance their mental math skills while also exploring and enhancing their understanding of money, graphing, time, number values and more.
