

## Pinch me! black and white

Pinch Me! (Black and White) This book does not have any color photos and therefore is more reasonably priced. Donnie's Crumbs of Love (and that's all you'll ever get) began before his birth in 1954 until the night of his high school graduation. Pinch Me! starts on the day of his graduation up to 2013, the day of his father's death. This auto-biography chronicles his two failed marriages, the fight to find out who he is and the way he started and still maintains his theatre company, Triangle Productions! Donnie is a playwright, director, actor, prize-winning producer, international author, father and grandfather. The title of this book says it all, Pinch Me!
