

Leading For Democracy: A Case-Based Approach to Principal Preparation

At a time when Americas schools face many of the most difficult challenges ever, the authors of *Leading for Democracy: A Case-Based Approach to Principal Preparation* return the reader to an agenda for democratic leadership for schools. Emphasizing the need for leadership preparation programs to reexamine existing and more traditional approaches to principal preparation, this comprehensive book draws to the foreground the need for a case-based approach that reflects the real-world problems and challenges faced by principals in schools today. In particular, *Leading for Democracy* emphasizes both a case-based pedagogy for principal preparation and the democratic ideals that provide the foundation for democratic schools, bringing into specific relief the work ahead for professors of educational leaders in preparing principals ground in democratic practice. Equally important, *Leading for Democracy* provides practical insight to the challenges of todays principal, offering a set of pedagogical tools for professors to guide students of leadership in learning and understanding the difficult work required of leading democratically, set against the backdrop of a changing America.
