

## The Manzanillan Son

The powerful Sobrante family of Manzanillo has intrigued a young college graduate from California who is on vacation in Mexico. The young woman finds herself drawn to the popular son of the locally renowned clan. When the familys patriarch is seemingly murdered, Miguel flees with Carmen to follow the trail of mystery surrounding his fathers death and his familys connections to the Mexican drug trade. From Sonoma to Monterey to Santa Barbara, the two finally return to Manzanillo where they find the answers surrounding his troubled legacy.
