

Third Circle: Children of the Moss: Book One

An old-fashioned adventure set in western Cornwall, England. Perfect for fans of Alan Garner and Susan Cooper. A stone circle stands under a cold moon. It is under attack. A nameless creature of the void, a spirit of immense power, wants to devour our home. The circles defend us, but they are old and crumbling. Karin is given the ability and knowledge to strengthen the circles. She feeds them power, the power of life she draws from the land. Denzil is her brother. He is possessed by the nameless creature. He, too, has power, but he must use it to fight his sister. Only one of them can win.
