

Stephen Crane: A Critical Biography

Written by a Pulitzer Prize- and National Book Award-winning American poet and critic, this is the finest and most insightful study available about the life and literary achievements of Stephen Crane (1871-1900), poet and author of the masterpiece, *The Red Badge of Courage*. In addition to providing a complete (and exciting) picture of Cranes life, Berryman gives a focused assessment of Cranes poetry, prose, and journalism, discussing how critics have regarded these writings over the course of a century.
