

I Am Snamuh: My Journey with Autism and the Power it Gave Me.

I am Snamuh is a humorous approach to telling what it is like to grow up with autism. Not diagnosed until age 25, Laura tells the story of her experiences without the confines of diagnostic lingo, and how her need for answers drove her to self-adaptation techniques she still uses in adulthood. Laura talks about her journey from Kindergarten to College, living life as Snamuh (Humans spelled backwards), and giving readers a rare glimpse into autism in the raw.
