

Using Cases in Higher Education: A Guide for Faculty and Administrators

Using Cases in Higher Education: A Guide for Faculty and Administrators is an essential resource created for faculty and administrators who utilize case studies to analyze, assess, and respond to the complex and difficult issues facing higher education leaders. While this volume will prove useful with any case study, it is specifically designed to complement the series of casebooks and teaching notes, starting with Casebook I: Faculty Employment Policies and Teaching Notes to Casebook I: Faculty Employment Policies.
