

# Wannabee Rock Star Who Finally Found the Rock: A Story of Trial, Faith and Triumph

Wannabee Rock Star Who Finally Found the Rock tells the story of how a spiritually bankrupt musician, frustrated by near success, numbed by the effects of drugs and alcohol, and alienated from his family, finds love and redemption after many years of running in the shadows of the Dallas-Fort Worth hard rock music scene, beginning in the early 80s and continuing into the new millennium. Readers will get a behind-the-scenes peek into the life of an aspiring rock star, as McLester plays in such bands as Dirty Blonde, The Crossing and Solinger (sharing the stage with current Skid Row lead vocalist Johnny Solinger). Read as McLesters bands open on some of the areas biggest stages for such rock legends as Alice Cooper, Tesla, Cinderella, Vince Neil, Pantera and Scorpions. But a hard-rock lifestyle takes McLester on a wild journey that leaves him disillusioned and nearly dead. Wannabee Rock Star Who Finally Found the Rock penetrates the heart, as readers follow this talented young drummer with a calling on his life a life catapulted into a quest for restoration of health, music, family and faith by what can only be understood as Gods just-in-time, supernatural intervention, saving McLester from a tragic end. Believers and nonbelievers alike will be inspired by the manifestation of hope that sustains McLester during his near-death experience and beyond, as he fights back against his disease, buoyed by Gods promise. The book relates how this same hope continues to propel McLester forward toward a cure and a newfound success with SuperNova Remnant, including 2012 tour dates with mega-platinum Christian rock band Stryper at House of Blues and the forthcoming release of the bands new album, Rockets Red Glare. Most important, readers will discover the grace, available for all, which transforms this rising rock star from a talented but troubled musician into a wise man of solid faith and an appreciation for

life, sanity and health.
