

# Old Village Life: Or, Glimpses of Village Life Through All Ages (Classic Reprint)

Excerpt from Old Village Life: Or, Glimpses of Village Life Through All Ages I have tried in this volume to tell the story of village life in all the ages. It is an attractive study, especially for those whose duty or inclination has compelled, them to live amongst the fields and lanes of rural England. Recently the country and the village have loomed large in the eyes of statesmen and the dwellers in towns. They used to neglect us, and think little of agriculture and of the struggles of the poor farmers and poorly paid peasants. So long as they received their corn cheaply from foreign lands, and were happy when the price was as low as 22s. a quarter, they cared not whether the landlord was ruined, the farmer starved, and the labourer emigrated to the towns or the colonies. Politically we were rather in disgrace. The squires were relics of feudalism, and ought to be suppressed and extinguished by heavy taxation; the farmers held unsound views, and were not sufficiently enamoured of reform and revolutionary schemes; and the labourers were too ignorant to understand political questions and to accept as Gospel truth all the statements of the reforming strangers. But all that dark age has passed. The limelight has shone upon us, and we are rather startled by the unaccustomed glare. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally

left to preserve the state of such historical works.
