

Mr. Pompety Pompton and the Power of Leverage (CleverDough Kids Wealth Mentality Series Book 9)

The purpose behind these humorous and endearing Wealth Mentality Series stories is to teach your child about a money mentality that will strengthen their money savvy for life. In Mr. Pompety Pompton and the Power of Leverage your child will learn that they do not always have to do everything themselves. When you have the help of other people, you can get things done a lot faster. It is a strange thing, but in school working together is quite often called cheating and out of school the same thing can be called leverage. Leverage comes in many forms and ways. There is leverage through using other people and also leverage using other peoples money (like a bank).
