

Third Grade Math Book 1 Parent Edition - Homeschool Curriculum (Third Grade Homeschool Curriculum)

This is the first book in a two book series for the homeschool parent instructor. This homeschool curriculum series has the same quality lessons as Complete Curriculums Voyages Series, but written addressing the homeschool parent and student. Consistent in sequencing, and creative in presentation, each Lesson in this text is designed to engage the student in the material through actual everyday examples and prompts. Aligned with the Common Core, the student will explore such concepts as ordering and comparing, identifying digits up through 10,000, place value, complex patterns, money, graphing, factors, multiplication, area, perimeter, weight and more!
