

My Heritage ABC (Volume 1)

Sherri Ferguson has DONE IT! Never has anyone been clever enough to capture the attention of each age group in one book, in regards to their heritage. My Heritage ABC has been exceptionally and exquisitely put together educating children in their African and African American history, alphabets, reading, colors, numbers, poetry, speeches from great leaders, languages and much, much more. This full color motivational book has managed to capture the beauty of Africa and teach history while children identify with their everyday learning pattern. The dynamic richness it gives in many areas is without question priceless. The showing of historical and today's black leaders joined with small biographies will assure that your child gain knowledge of the wonderful people that came before them, and see the importance of moving forward with dignity and admiration. Her poetry and words of encouragement to the youth is life changing. This book without a doubt will be a collector's item and may be passed on for generations to come.
