

## My Childhood (Chinese Edition)

It tells about the story of the growing up of I, a lonely child. After the death of his father, young Alexei and his mother went and sought refuge with his grandfather, a cold, mean and bossy man. His two uncles fought everyday with each other for the legacy; his mother led a miserable life after remarriage and died of sickness. In the depressing childhood life of Alexei, however, his grandmother, a kind, capable woman who loved life and possessed a generous heart, the optimistic, clever Ivan, the righteous Gregory and the intellectual Good Thing were like beacons and warmed his sensitive heart greatly, helping him grow into a strong, brave and loving person. It is written by Gorky.
