

## Stendhal (Folio biographies) (French Edition)

Letat habituel de ma vie a ete celui damant malheureux, aimant la musique et la peinture, cest-a-dire a jouer des produits de ces arts et non a les pratiquer gauchement. Jai recherche avec une sensibilite exquise la vue des beaux paysages ; cest pour cela uniquement que jai voyage. [] Je vois que la reverie a ete ce que jai prefere a tout, meme a passer pour un homme desprit. Caractere complexe et paradoxal, brillant esprit a la reussite litteraire posthume, anticlerical a lironie incisive et redoutable dissequeur de lame humaine, Henri Beyle dit Stendhal (1783-1842) a transforme son existence en une vaste quete de lui-meme. Des campagnes napoleoniennes a ses tribulations consulaires en passant par ses conquetes feminines, sa vie, mouvementee a tous les egards, neut rien a envier a celle des protagonistes de ses romans. Ce livre nous la restitue dans toute son intimite.
