

More Rarities from the Arliss Archives: A 125th Anniversary Salute to George Arliss

This third volume in the George Arliss series offers more long-unseen treasures from the Arliss Archives. The previous volume, *THE ARLISS ARCHIVES*, provided a unique look at its holdings documenting George Arliss (1868-1946), star of the stage and screen, author, playwright and film maker. This new volume provides more rare documents and photographs, many scanned directly from work negatives. More importantly, *MORE ARLISS ARCHIVES* reviews such legendary materials as original film scripts, studio contracts, glass slides, press books, and personal correspondence.
