

# The Practical Guide to Quality Child Care (Gryphon House)

This clear, easy-to-read handbook is a uniquely comprehensive manual for prospective or current administrators or directors of child care facilities, providing specific guidelines for virtually every aspect of early childhood administration. It will enable users to improve the quality of programs for young children, as well as enhance the job satisfaction and working conditions of child care. The book includes checklists, evaluation forms, sample letters to families, a center staff manual, sample forms and newsletters, new employee packets, and other time-saving guidelines and forms for facilitating the management of a child care program. For any and all child care administrative professionals.
