

The Percy Anecdotes: Original and Select (Classic Reprint)

Excerpt from The Percy Anecdotes: Original and Select How many think like you, madam, that military men only are mortal! The truth however is, that war only hastens the death of some who might perhaps have lived a little longer. For my own part, I have been present on several pretty perilous occasions, without having received a single wound. My misfortunes proceed from another source, and to Speak freely, I am better pleased to live less happy, than not to live at all. Many men have been killed in their first encounter, and as many in their second. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
