

Drama Lessons for Five to Eleven Year-Olds

Drama Lessons offers an exciting and varied range of tried and tested lessons, carefully planned and easy-to-follow, tailor-made for the busy primary teacher. Non-drama-specialists will find the book especially helpful, while specialists will welcome a lesson collection for their own or colleagues use. For each lesson plan, essential resources and timing information are given, along with helpful suggestions for differentiation and follow-up activities. The lessons cover most curriculum areas, including English (especially Speaking and Listening), History, Science and Numeracy. For teachers, here - for the first time - is a book which just contains lesson plans to pick up and teach. Drama Lessons will also give student teachers a flying start in their school placements.
