

## A Toolkit for College Professors

A Toolkit for College Professors is designed to give new and established faculty members the skills they need in order to do their jobs more effectively. Combining case studies, scenarios, practical advice, and problem-solving activities, this book offers college professors a valuable resource for excelling in the classroom, lab, studio, library, and beyond. From teaching effectively to promoting student success, facilitating collegiality with their peers, conducting research, applying for tenure and promotion, and many other areas relevant to academic life today, A Toolkit for College Professors helps faculty members achieve their goals and avoid common pitfalls along the way.
