

## Govinda Samanta: Or the History of a Bengal Raiyat (Classic Reprint)

Excerpt from Govinda Samanta: Or the History of a Bengal Raiyat The village life, and every care that reigns O'er youthful peasants and declining swains; What labour yields, and what, that labour past, Age, in its hour of languor, finds at last; What form the real picture of the poor, Demand a song - the Muse can give no more. Crabbe. Gentle Reader, in case you have come with great expectations to the perusal of this humble performance, I deem it proper to undeceive you at the very outset; lest after going through it, or through a good bit of it, you are disappointed, and then turn round and abuse me as a fellow who, with a view to attract customers, has put a misleading sign-board over the door of his shop.
