

## Collected Poems

John William Corrington (1932 - 1988) is recognized as a significant Southern writer of poetry, short stories and novels. During his lifetime, Corrington published four books of poetry, but many of his poems that appeared in little magazines and journals were never collected. This Kindle e-book, The Collected Poetry of John William Corrington, now makes all of Corringtons published poems and a number of completed but previously unpublished poems available to readers.
