

By Bike around Hokkaido

By Bike around Hokkaido records a journey in 2013 around the island of Hokkaido in Northern Japan. The route was based on the Hokkaido Kannon 33 Buddhist pilgrimage. This was founded in 1914 by Raku Yamamoto and covers 33 Shingon Buddhist temples devoted to Kannon. The journey went clockwise around Hokkaido and went into areas that are well off the beaten track for Western tourists. The text is accompanied by many colour photographs of the trip, the temples and less common features of the Japanese scenery.
