

How We Learn and Why We Dont: Student Survival Guide Using the Cognitive Profile Inventory

Suitable for almost every course, How We Learn and Why We Dont is a relatively short, 60-page book designed to help students understand how they think, how they learn, and even perhaps why they dont think as clearly as they could or learn as much as they can. Beginning with a self-assessment, students are offered proven strategies to help them achieve better grades and to maximize and match learning profiles with their academic and career paths.
