

In the Field: A Guide for the Social Work Practicum

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Very brief and down-to-earth field manual that helps students prepare for entering their first field placement. In the Field: A Guide for the Social Work Practicum, 2/e helps students make the leap from the theory they learned in the classroom to the real world they will encounter in their field placement. It addresses issues that students often struggle with in their beginning practicum and reinforces that co-workers, supervisors, and the students own life experiences have much offer.

New coverage includes: cultural competency, health care laws, student safety, time management, internet privacy, client assessment, and spirituality.

Teaching & Learning Experience

Personalize Learning - MySocialWorkLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals.

Improve Critical Thinking Throughout the text, students are encouraged to think critically about how to address a variety of situations they will encounter. Engage Students

Actual case examples and feedback from field students provide insight and friendly advice for students in their first field placement. Explore Current Issues

The new edition includes up-to-date information on cultural competency, health care laws, client assessment, and student safety. Support Instructors - MySocialWorkLab

Videos, including Core Competency videos, ABC News videos, and video lectures on the history of social welfare with assessment.
