

## Make your Kid SMART!: for Dummies

Do you know which of the eight Intelligences is the one most recognized and supported by traditional schools? What do you do if your child doesn't have that particular one? Valerie provides a quick read for parents and teachers to make kids SMART. She simplifies the educational concepts of: Multiple Intelligences and Learning Dispositions. She also gives quick activities to help parents and teachers figure out a child's BEST learning strategy and BEST learning style. Once you follow Valerie's simple activities, you can identify which of the FOUR learning styles, FIVE learning Dispositions, or EIGHT Intelligences your child has. Do NOT let your child slip between the educational cracks. Valerie can help you MAKE your child SMART by identifying his or her specific learning characteristics.
