

## HALF LOVE (The Diary of a Gambler)

The oil of ignorance lubricates the wheels of misery. Life is a pilgrim and each man a snowflake dropped on a hot brim that melts and forsake! Hope is the secret of nothing! And that hope keeps life going! Beware oh woman; a man is a beloved hater, a heart-breaker, an immune beast that rises like yeast from the east! Victim of forced desperation, man is a deficit to his calling, the addict that suspects the goals of worship, ironically, when he knows and tries to show, he begins to derail! Man understands nothing when he knows everything! God is always right but not when women are left. I have forgiven God for making us perfect imperfections! Comforted, I am often self-conscious about this weakness that is hope! Man is trapped not just between time and space but greed and hope. Salvation can only be a reality in the absence of greed and hope. Love, power, youthfulness, riches, health, fame and beauty are mere chases after the wind! The greatest prison is insecurity! Faith is risky, unfaithfulness is riskier! To be made right, man, the cynic, must be proved wrong and his perception made strong! Richness is in having intelligent foes! They keep a mans sensitivity alert! Man misunderstands time and himself when he blames the curious. A woman is homeless until she falls in love! The empty pages of a mans life are filled by the destiny that made him. To woman, loneliness is business, and to a man, sadness. Mans greatest jailers are greed and hope. Love is the curse associated with faceless consciousness; it is the duty of man to combine charisma and ambition to unearth its beauty and utility. The world is full of idiots, while women are living for love, men are dying for respect! Perfection will be a reality when women stop living to be loved and men stop dying to be respected! Liberty is a slave to its security!
