

The Folk-Lore Record (Classic Reprint)

Folk-L ore Record, and resfret that want of time for due preparation prevents me from writing anything at all complete or adequate about the objects of theS ociety. Compelled to be brief, I must select one or two points on A which I have already written with, perhaps, damnable iteration. The readers of the Record must pardon me if, like the narrators of the fairy stories we collect and study, I tell a twice-told tale. The science offF olk-L ore examines the things that are the oldest, and most permanent, and most widely distributed, in human institutions. It is not meant, of course, that every caprice of rural or social superstition is old, and permanent, and widely distributed. I have never heard that cannibals scruple to dine when there are thirteen in company ;or that A ssyrians, Egyptians, and Andaman islanders, think it a perilous thing to walk under a ladder. It is not even in every English county that the robin redbreasts appearance in a house is a sign of approaching death, and very probably Spanish peasants do not hold, like theS cotch, that the yellowhammer drinks a drop of the deils blood every May morning. But, setting aside VOL.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
