

The Essential Speaking and Listening: Talk for Learning at Key Stage 2

Talk is the medium through which children learn; and yet children may not realise why their contributions to classroom talk are so important. This book provides teachers with resources for developing childrens understanding of speaking and listening, and their skills in using talk for learning. The Essential Speaking and Listening will: help children to become more aware of how talk is valuable for learning raise their awareness of how and why to listen attentively and to speak with confidence encourage dialogue and promote effective group discussion integrate speaking and listening into all curriculum areas help every child make the most of learning opportunities in whole class and group work contexts The inclusive and accessible activities are designed to increase childrens engagement and motivation and help raise their achievement. Children will be guided to make the links between speaking, listening, thinking and learning and through the activities they will also be learning important skills for future life. Teachers, education students and teacher educators will find a tried-and-tested approach that makes a difference to childrens understanding of talk and how to use it to learn.
