

# Expecting Excellence in Urban Schools: 7 Steps to an Engaging Classroom Practice

A seven-step plan for really engaging our urban students! One of the most immediate challenges in K12 schools lies in implementing powerful pedagogy which emotionally, intellectually, and behaviorally engages students. This book supplies the missing thread through a framework for student engagement. You will explore a seven step process for emotionally, intellectually, and behaviorally engaging students with a wealth of strategies, techniques, and tools which create an engaging educational experience. Drawing on his more than twenty years in struggling classrooms, Jabari provides: Seven cohesive steps for planning, delivering, and reflecting on engaging learning experiences Techniques for forging deeper connections with students Strategies to transform students perceived deficits into instructional assets
