

A Gentleman of Pleasure

A Gentleman of Pleasure not only spans Glasscos life but delves into his background as a member of a once prominent and powerful Montreal family. In addition to Glasscos readily available work, Brian Busby draws on pseudonymous writings published as a McGill student as well as unpublished and previously unknown poems, letters, and journal entries to detail a vibrant life while pulling back the curtain on Glasscos sexuality and unconventional tastes. In a lively account of a man given to deception, who took delight in hoaxes, Busby manages to substantiate many of the often unreliable statements Glassco made about his life and work. A Gentleman of Pleasure is a remarkable biography that captures the knowable truth about a fascinatingly complex and secretive man.
