

Chota Nagpore: A Little-Known Province of the Empire (Classic Reprint)

Excerpt from Chota Nagpore: A Little-Known Province of the Empire I comply very willingly with the request of Mr. Bradley-Birt that I should write a few lines of introduction to his Chota Nagpore. Independently of the literary merits of the work and the interest of the subject, the description he has given of an outlying part of Bengal will serve the useful purpose of putting picturesquely forward the contrasts which form a striking feature of our Indian Empire. Those who know India well do not need to be told that, whatever progress education may have made among certain classes, the masses of the people remain much the same century after century. This, however, is hardly sufficiently appreciated at home, and so the difficulties of Indian administration are often underrated. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
