

# Owning It

Teaching is not just what we do. Teaching is what we ARE. Written by one of Americas top teachers, *Owning It* is being used by educators everywhere to transform their teaching with fresh strategies that deliver proven results. A collection of highly readable columns based on over a decade of teaching in some of Californias poorest schools, California Teacher of the Year, Alex Kajitani offers easy-to-implement strategies for success in our classrooms, on our campuses, and throughout our communities. This book has become a favorite among teams of teachers looking to shift the culture of their school to one that is highly collaborative, and where every student thrives. Specific topics include: \*Leading your classroom and engaging students \*Dealing with tests, parents and data \*Handling poverty, ethnicity and at-risk students \*Managing colleague relationships and staff meetings \*Raising the profile of teachers and schools in the public eye. *Owning It* was named Recommended Reading by the U.S. Department of Education, and was praised by education guru Dr. Harry K Wong as, No jargon. No fads. Instead every page has so much you can use immediately, to enhance your success as a teacher. Buy this book as soon as possible.
