

# IELTS Pathway to Success: A Strategic Exam Approach

The International English Language Testing System (IELTS) is part of a world-wide proficiency test for both education and immigration into English speaking countries. This second edition is helpful for you as a candidate to understand the IELTS test procedure and how to avoid potential issues. The book includes a range of vocabulary, practice exercises for all four skills, strategies for keyword identification, and techniques for time management during the IELTS exam. The book is suitable for both Academic and General Training candidates who are around band 5.5 or higher.
